

Return Instructions

We thank you for choosing Ischebeck Nordic AS as your supplier of formwork equipment and we look forward to a good collaboration.

Before the rental starts, it is important that you as a customer read through these return instructions, to avoid unnecessary extra costs.

Return Instructions

- Returns must be notified to retur@ischebeck.no minimum of 3 working days in advance. Unannounced returns may result in additional charges.
- After notifying your return, you will receive a bill of materials for the project. Fill in the bill of materials and send it to retur@ischebeck.no
- Once the return has been ordered, Ischebeck informs the construction site when the return vehicle will arrive.
- The returned material must be cleaned and packed in accordance with Ischebeck's enclosed packing instructions/list. Equipment that has not been cleaned or returned according to our packing instructions/list will be invoiced according to spent hours.
- Upon receipt at Ischebeck's warehouse, the returned material is counted in and checked against the construction site's submitted material list.
- If the material was damaged on arrival at the construction site, Ischebeck must be informed of this within 2 working days.

The customer accepts Ischebeck Nordic's counting of returns if a completed bill of materials has not been submitted.
